Notes:

Repertory Lighting may not be struck or moved.

Any light may be circuited, un-circuited, added or refocused as needed, provided that the fixture is restored at load out.

No rigging may be added to the venue without the venue Production Manager's express written consent.

Visiting company lighting plans are due to the venue not less than 30 days prior to the company's arrival to the venue.

Additions to the repertory lighting plan are allowed with prior written consent of the venue production management .
