The entrance to BRIC is on the far side of Fulton St. on the right side of Rockwell Pl. Accessible doors are located just down the block on Rockwell Pl.

Arriving at BRIC

There will be a staff member at the Front Desk to help direct visitors, and open the doors for anyone who needs assistance.

If you are visiting for a performance, the greeter desk is where you will check in to be directed to your show.

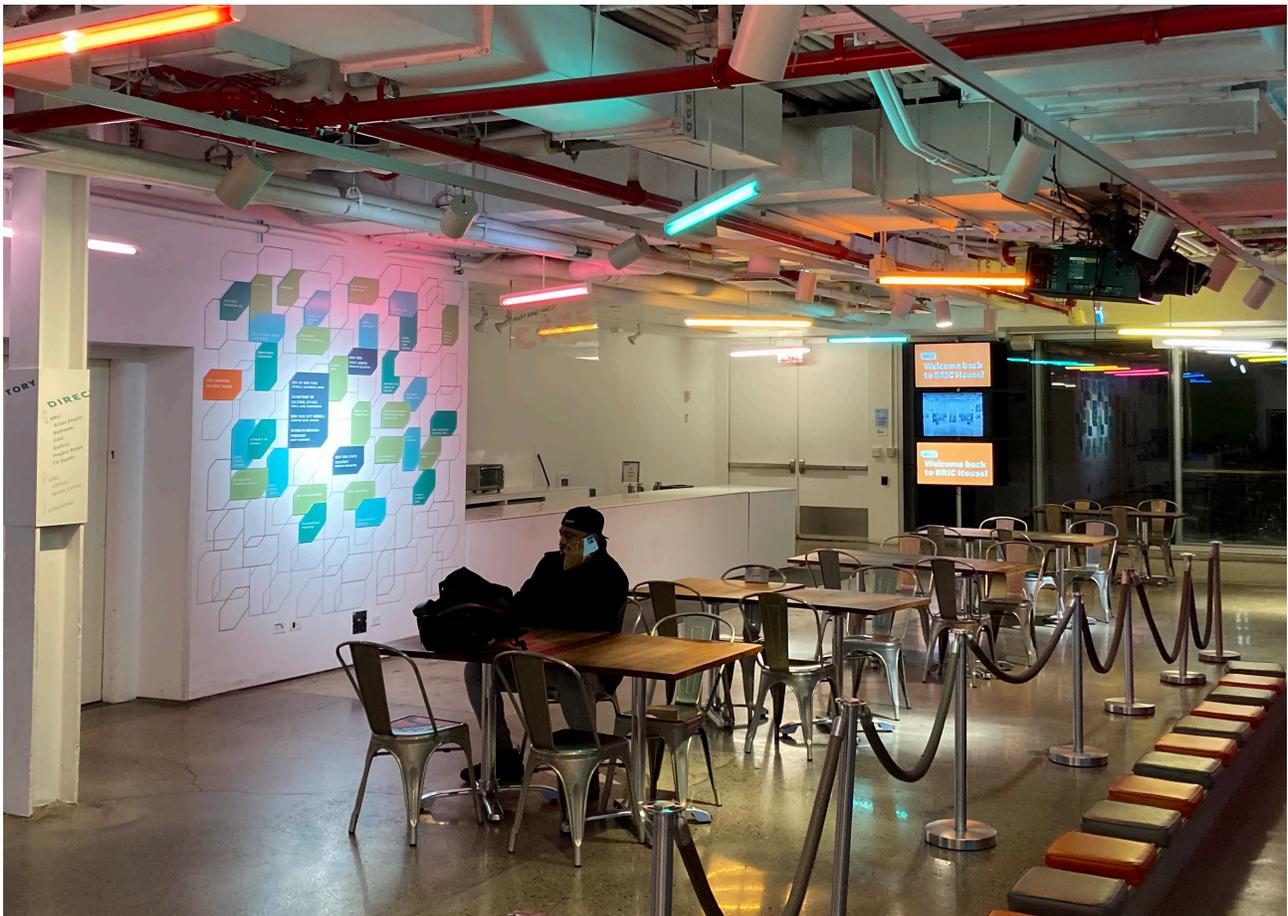

Just behind the Front Desk is the Security Desk, where a guard is stationed to help with any questions you might have.

BRIC House

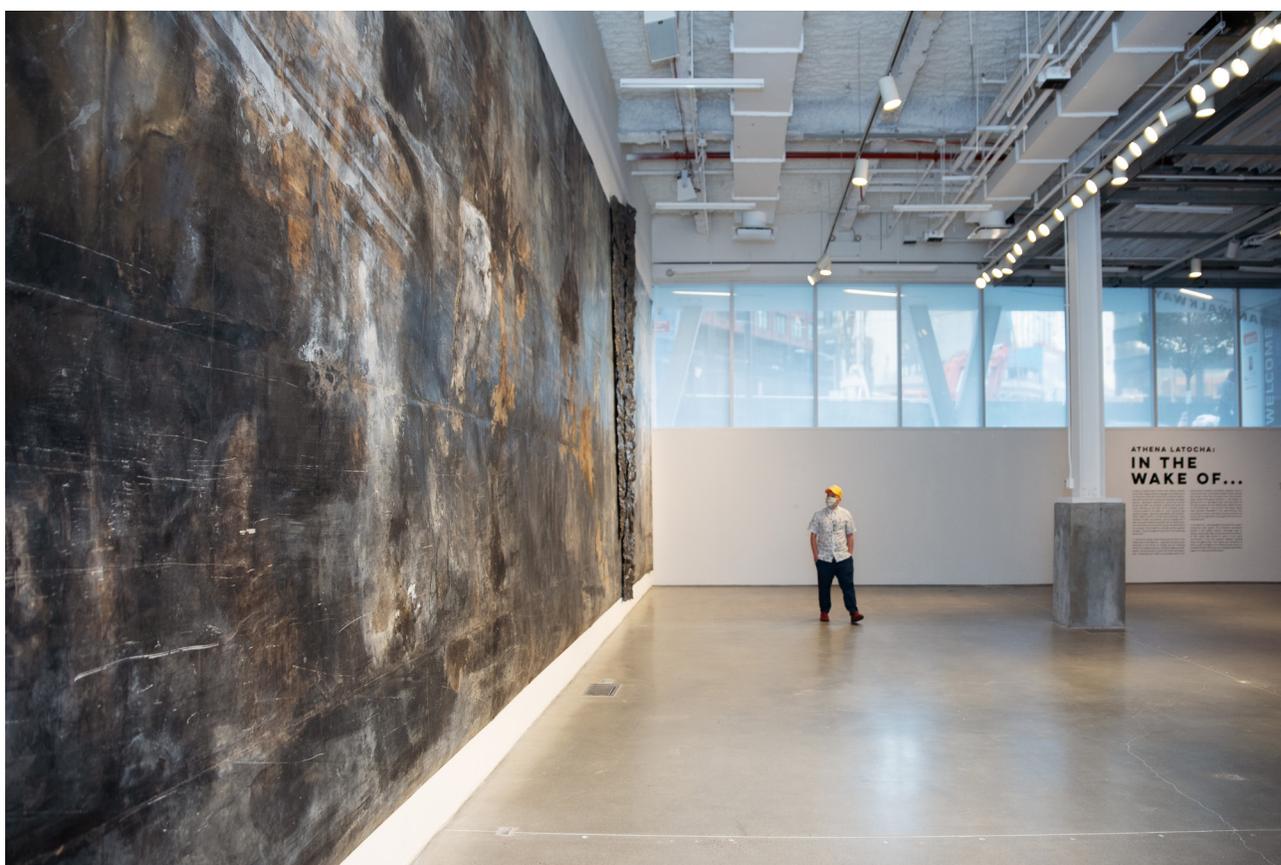

The **Lobby** is located to the right of the Front Desk, and is open to the public with seating and tables.

The **café** is open with limited hours.

BRIC House

Explore the **Gallery** at BRIC House, located next to the Lobby. Exhibitions rotate approximately twice a year.

BRIC House

Or hang out on the **Stoop**, a seating area open to the public. The Stoop and Gallery are accessible via stairs or a wheelchair lift. Ask a BRIC staff member for help with the wheelchair lift.

Outlets and free Wi-Fi (network: BRIC-GUEST) are also available.

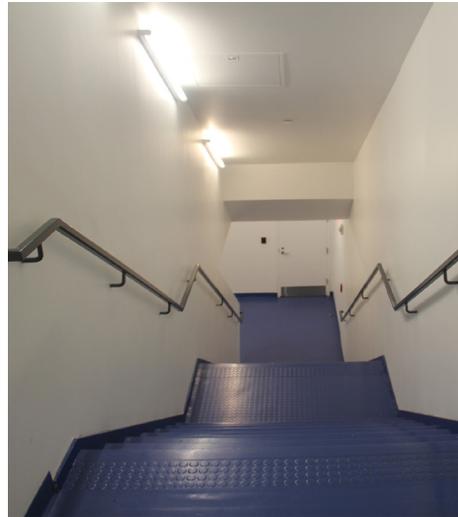

More art is available on view in the **Project Room**. Take a right down the hall to view this exhibition space. Exhibitions rotate approximately twice a year.

Restrooms

An accessible gender-neutral bathroom is located at the end of the hallway.

More restrooms (not ADA accessible) are available downstairs.

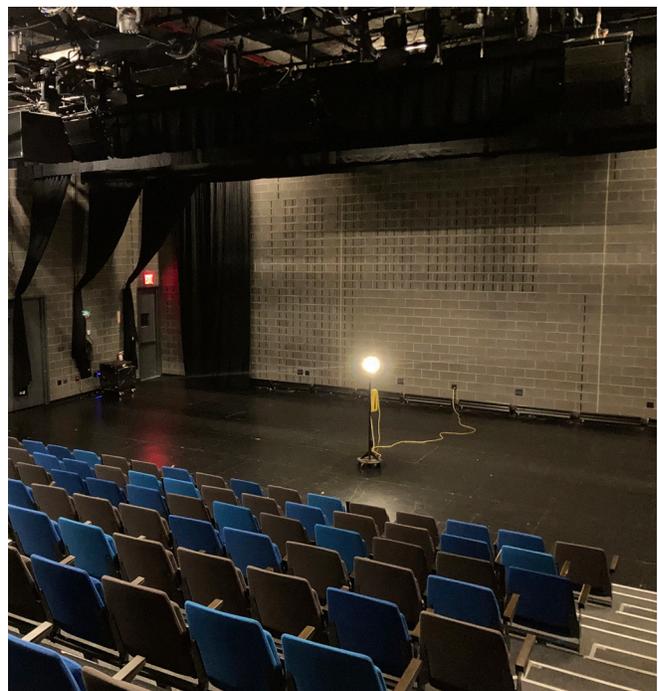

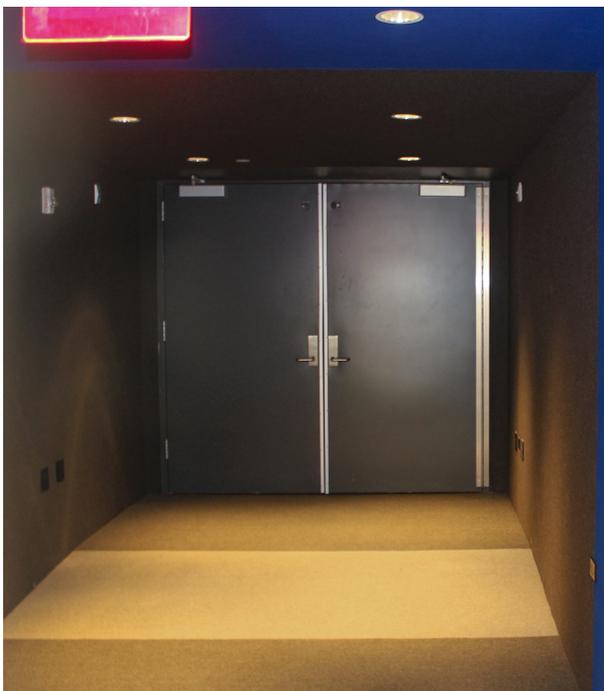

The Ballroom

Many of BRIC's events take place in the Ballroom, which is located on the 1st Floor.

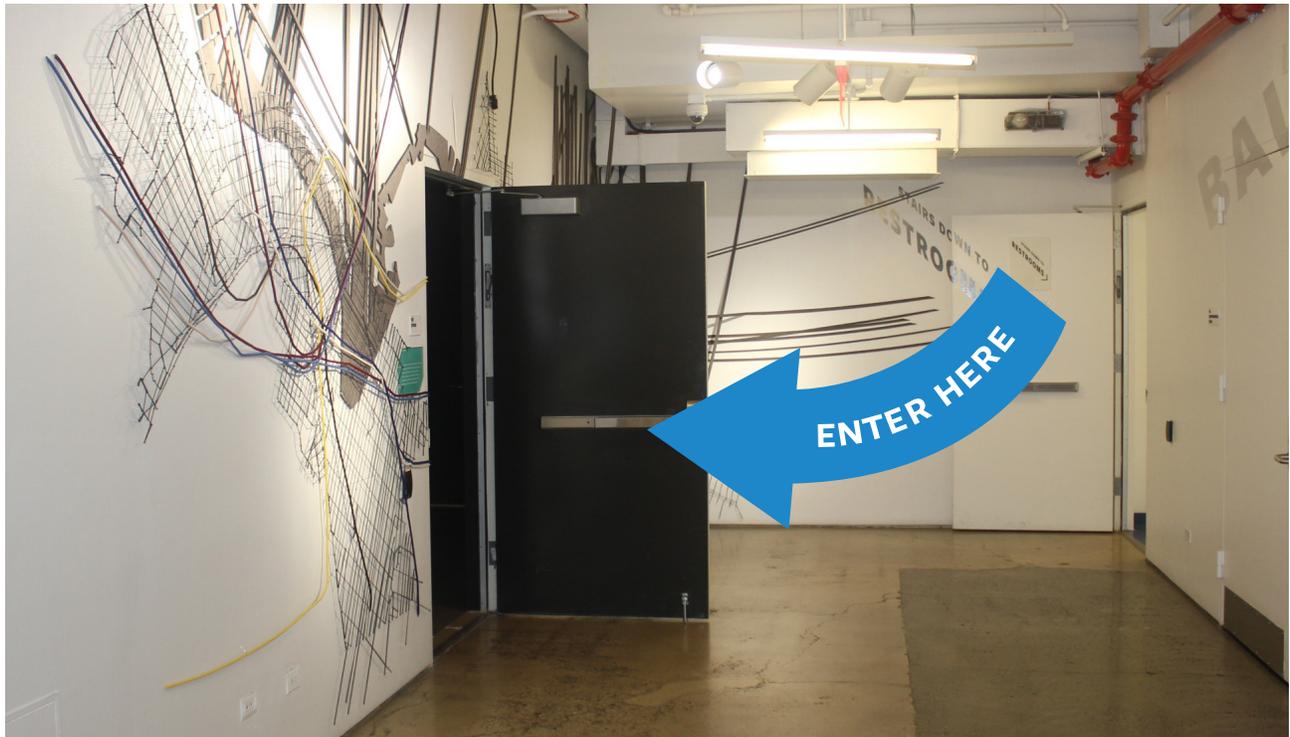

There is a second set of doors going into the Ballroom. Ushers will be available to provide assistance as needed.

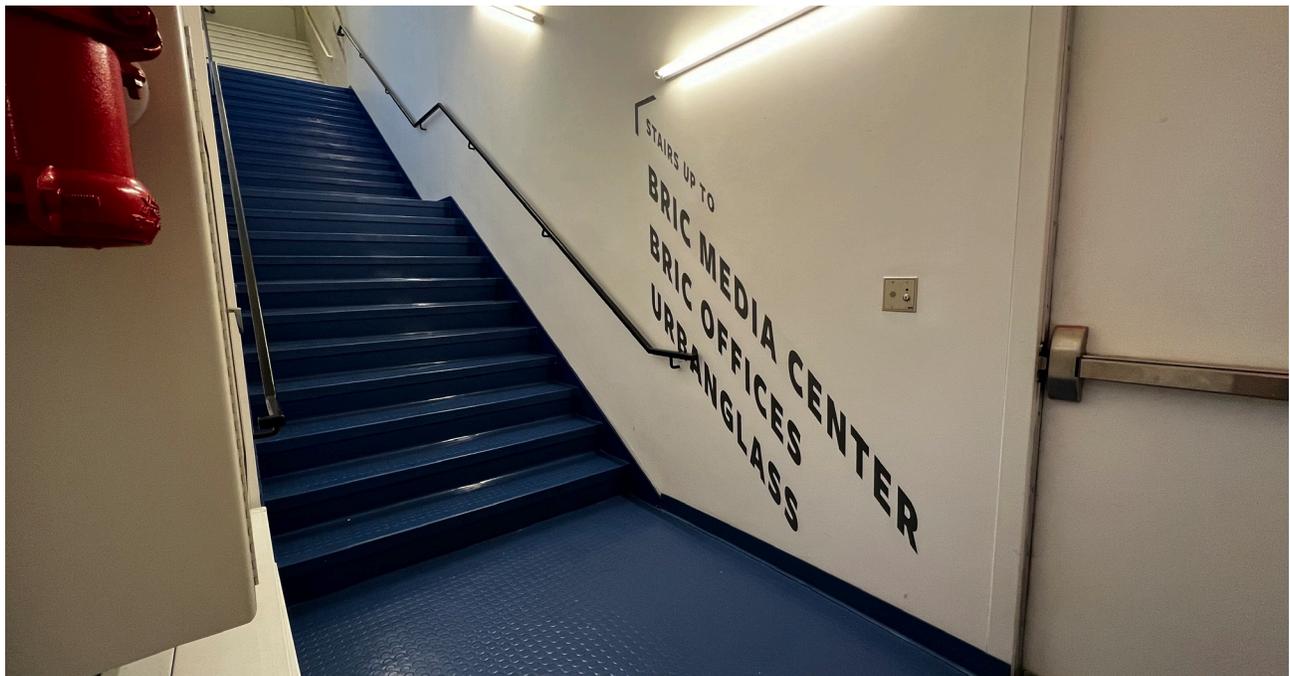

The Artist Studio

The Artist Studio is another performance space, located down the hall from the Ballroom.

Media Center

Visit the Media Center on the 2nd floor to take one of our adult education classes, check out audio/visual equipment, or use our studio space. You can get to the Media Center by taking either the elevator from the 1st floor lobby, or the stairs located across from the Ballroom.

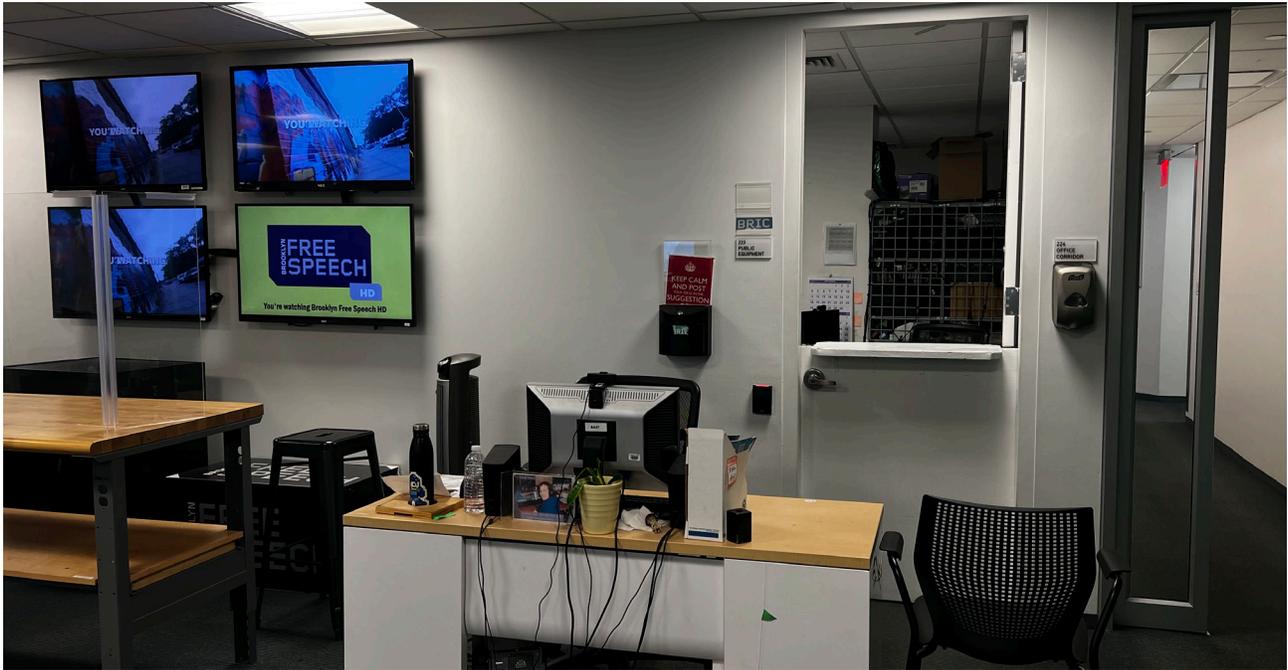

Media Center

When you get to the 2nd floor, you will see a security guard who will open the Media Center door.

Media Center

Inside the Media Center, you will see a seating area and the Public Equipment pickup area, with a staff there to help you pick up or drop off media equipment.

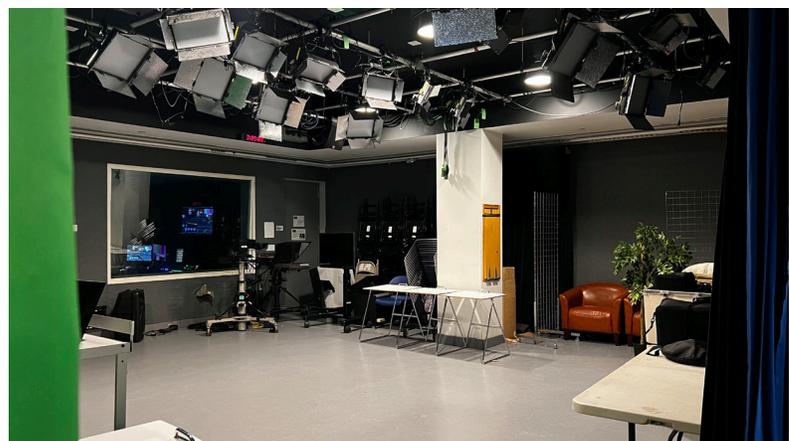

Media Center

To your right will be a classroom.

To your left and in front of you will be recording studios.
